XXD1⁺

1. X‹D1⁺ REQUIRES COMPLIANCE CHECK

The flashing lights shown and an intermittent audio beep tell you your X‹D1⁺ is ready for a compliance check.

2. DOWNLOAD

Download the **BreatheLITE** software on to your Mac or PC device.

3. CONNECT

Connect your **XD1⁺** directly to your computer using the USB cable.

4. COMPLIANCE BASE

Place your **XD1⁺** in a Trolex compliance base ready for the compliance check.

Ensure the clear hood is fitted over the top and the unit is connected to your computer.

5. PREPARE SAMPLE

Decant the Trolex approved sample into the application bottle.

6. START YOUR CHECK

Select "Compliance check" on **BreatheLITE.**

7. SAMPLE

Introduce sample and follow the on-screen instructions.

8. PASSED

Great, you're good to go for another 3 months.

*Please consult the user manual if you need to retest your X<D1⁺.

9. DON'T FORGET

You can order more compliance samples through your local approved distributor.
